

# LAND & PROPERTY INFORMATION 2010 UPDATE

## Online / Telephone Course

**ACS NSW IS PROUD TO PROVIDE THIS EXCELLENT CPD OPPORTUNITY ESPECIALLY FOR REGIONAL MEMBERS WHO MUST KEEP UP TO DATE BUT ARE UNABLE TO SPARE THE TIME TO ATTEND EVENTS HELD IN THE CITY**

Take advantage of the opportunity provided by this type of CPD format to hear **Grahame Wallis, Manager Cadastral Integrity**, discuss the latest issues at LPI and ask the questions from the expert while sitting in your regional office.

You will see the presentation on your screen and hear the voice on the loud speaker of your phone. You are able to ask questions in two ways. You can type your question and it will appear on Grahame's screen or when the presentation is changed into conference mode you can ask your question directly which will be heard by both the presenter and all the delegates although they may be spread out all over the state.

### Topics to be covered will include:

- The new Surveying and Spatial Information Act 2002  
What are the changes and what will be the impact?
- CORS
- ePlan
- GNSS
- LPI procedures  
What are the changes and are there additional requirements?

Please Note that the ACS NSW office will be closed from March 1 to March 5 and you will not be able to register during that week – therefore register early.

**\*\*Places are limited to 30 so don't miss out on this great opportunity.**

Proudly Sponsored By
