WELCOME PROSPECTIVE SPONSORS

7th September, 2019, Hyatt Regency Sydney

The Association of Consulting Surveyors NSW and the Institution of Surveyors NSW would like to invite you to participate in the 2019 NSW Excellence in Surveying and Spatial Information Awards. 2019 will be the twenty second year for this hugely successful awards night, which attracts hundreds of key organisations and individuals from the surveying profession and extended industry.

Now recognised as a major event on the industry calendar, the dinner provides an opportunity to highlight contributions made by individuals and firms, but also creates an effective platform for the promotion of businesses via sponsorship opportunities.

Sponsorship offers related businesses access to numerous organisations, and brand exposure to hundreds of people. From company logos placed on a variety of brochures, to full page advertisements in our magazines, there is a range of opportunities to promote your business through sponsorship.

The event is widely promoted across the industry through the public, private and educational sectors and includes:

- The Call For Entries Brochure, which includes sponsor logos, is distributed through The Surveyor, Azimuth and by other associated bodies early in the year. It is also available on our websites.
- A Showcase Book, which is printed to recognise the Sir Thomas Mitchell winner from last year, highlighting the range of entries received and promoting the sponsors for the night. These books have a wide distribution through the industry.

The following page outlines the various benefits associated with different levels of sponsorship. We encourage you to take the opportunity to sponsor this event and be part of its success.

Yours sincerely,

Vicki Tester
Chair, EISSI 2019
